Grant applications

The André and Michel Bouriez Foundation allows young doctors to fund long-term training projects abroad.

Today, we launch our first call for applications

You are a doctor or a surgeon*, a national and resident of an EFTA country?**

You have a serious 12 month minimum training or research project abroad?

The André and Michel Bouriez Foundation can cover your living expenses and those of your family, helping you concentrate fully on your project!

Applications will be evaluated on the quality of applicants; the scientific importance of the project, their technical innovation, their originality as well as their feasibility and reproducibility.

* "residency". 2nd year minimum.

** European Union, Iceland, Lichtenstein, Norway, Switzerland
